PhD subject _____

Date of birth _____ Children Yes No

A. Expectations on the mentoring programme

1. What do you personally expect for yourself from participating in the mentoring programme?

2. What questions and topics would you like to address or discuss for yourself in the mentoring programme?

3. The mentoring programme thrives on the commitment of all participants. What skills, interests or experience can you contribute to support the programme?

4. In addition to the mentoring discussions, networking events and qualification workshops are also important components of the programme. On which topics would you like to attend an event? (please tick a maximum of three topics):

Self-presentation/self-marketing in science

- Applications in science
- Conflict management
- Leadership skills
- Work-life balance / compatibility of family and science
- Milestones of the scientific career
- Scientific writing

Other topics:

B. Professional development

1. Please describe your current professional situation.

(Status of the PhD project, focus of the project / working title, supervision, type of funding)

2. What are your professional goals? Where would you like to be professionally in 10 years?

Please hand in the completed profile form and a curriculum vitae in tabular form to us, drop it in the post box or send it by e-mail.

Postbox "Mentoring-Programm" (in front of
H4.135)
mentoring@upb.de

If you are accepted into the programme, we will pass on your profile sheet to your potential mentor and use it for the evaluation of the programme. We need your consent for this:

Declaration of consent

I consent (in accordance with Art. 6 Para. 1 lit. a DSGVO) to the storage and processing of my personal data. It may be stored and processed. I have read the data protection information provided to me on the processing of personal data for participation in the mentoring programme for female doctoral candidates at the University of Paderborn.

I may revoke the processing of my data at any time with effect for the future. The lawfulness of the processing up to the time of revocation remains unaffected. My data will then be deleted immediately and the documents submitted will be destroyed in accordance with data protection regulations.

The data to be retained by law within the scope of the university's obligations to provide evidence remain unaffected by the deletion.
