

## **Funding Guidelines**

### **Support for academics in teaching (junior teaching staff)**

#### **- Measures in the Corona Pandemic -**

#### **I. General Information**

Funding will be made available for scientists in the qualification phase and for LfbA's with childcare responsibilities to finance a student assistant (SHK or WHB) to assist in the preparation and implementation of teaching for the summer semester 2021.

#### **II. Eligibility for application/amount of funds to be applied for**

Academics in the qualification phase (doctoral students, postdocs and junior professors) and LfbA's can apply for funding from a student or scientific assistant to assist in the preparation and implementation of the teaching for the summer semester 2021. Funding will be up to 9.5 hours per week for three months from March 2021 to June 2021.

Researchers and LfbA's with at least one child under the age of 12 or a child with special needs until the end of compulsory schooling are eligible to apply.

The prerequisite for funding is an employment contract at the University of Paderborn.

#### **III. Application procedure and deadline**

In the informal application, the family and professional situation as well as the planned tasks and time schedule of the assistant must be described. The age of the children and the necessity for support must be indicated. In addition, the teaching load for the winter semester must be made clear. The application should not exceed a DIN A4 page.

Applications must be sent to Irmgard Pilgrim, the Equal Opportunity Officer:  
[irmgard.pilgrim@uni-paderborn.de](mailto:irmgard.pilgrim@uni-paderborn.de). Please submit the documents in a pdf document.

Applications can be submitted until 1 March 2021.
