

CALL FOR PAPERS

Speech Communication

12. ITG Fachtagung Sprachkommunikation

Paderborn, October 5 – 7, 2016

Scope

The 12th ITG conference on Speech Communication solicits contributions on theory, algorithms, applications, and demonstrations in the following areas of speech, audio, and spoken language processing:

- Speech Quality and Intelligibility Enhancement
- Source Separation, Localization, and Tracking
- Speech Production and Perception
- Automatic Speech Recognition
- Spoken Dialogue, Diarization, and Spoken Document Retrieval Systems
- Speech Synthesis
- Speech Coding, Error Protection, and Concealment
- Speech Quality Assessment
- Speech in Automotive, Mobile, and Multimodal Applications
- Acoustic Interfaces, Assistive Devices, and Hearing Aids
- Hardware and Software Tools
- Emerging Topics and Applications

Paper Submission and Deadlines

Authors are invited to visit upb.de/itgspeech2016 and to submit their papers as PDF-files. Papers will be published with IEEE Xplore, and are expected to be written in English. They must not exceed four pages plus one additional page containing only references. Please note the following deadlines:

- Submission of full paper: **May 20th, 2016**
- Notification of acceptance: **July 5th, 2016**
- Submission of final print version: **July 20th, 2016**

Technical Program Committee

- R. Häb-Umbach (Chair), Univ. Paderborn
- S. Doclo (Co-Chair), Universität Oldenburg
- G. Enzner, Ruhr-Universität Bochum
- T. Fingscheidt, TU Braunschweig
- H.-W. Gierlich, HEAD acoustics GmbH, Herzogenrath
- E. Habets, International Audio Laboratories Erlangen
- T. Haulick, Nuance, Ulm
- P. Jax, RWTH Aachen
- W. Kellermann, FAU Erlangen-Nürnberg
- D. Klakow, Universität des Saarlandes
- D. Kolossa, Ruhr-Universität Bochum
- G. Kubin, TU Graz
- H. Löllmann, FAU Erlangen-Nürnberg
- R. Martin, Ruhr-Universität Bochum
- S. Möller, TU Berlin
- H. Puder, Sivantos GmbH, Erlangen
- R. Schlüter, RWTH Aachen
- G. Schmidt, CAU Kiel
- B. Schuller, Universität Passau
- T. Schultz, Universität Bremen
- P. Vary, RWTH Aachen
